**Cornwall
Mobility**

While you visit Cornwall Mobility why not take a look at our:

Driving and vehicle adaptations and independent living and mobility equipment:

Here you can see, and maybe have a go with, some car driving adaptations, mobility scooters or even a one arm drive wheelchair.

Have a go on our Alfa Romeo car simulator and measure your:
Strength for steering and braking and your reaction times.

Have a look at some driving and vehicle adaptations including:

Hand controlled accelerator and brake systems. Left foot operated accelerator / brake systems. Steering aids - including secondary switches. Swivel seat access (driver's side). Wheelchair and scooter hoists.

Our Independent Living and Mobility Equipment Department has:

A comprehensive range of mobility scooters, manual and powered wheelchairs, lounge, bedroom, kitchen and bathroom equipment and a range of miscellaneous items to help with daily independent living.

Please let us know on your booking form if you'd like a tour
