

Sand Chair Prototype

Summary

Cornwall Mobility is an independent, non-profit charity designed to enable people with mobility difficulties to be as independent as possible through advice, support and home and travel adaptations. The aim of this survey is to gain consumer feedback regarding the usability and safety of our new Sand Chair Prototype. The Sand Chair is a mobility aid to give users the freedom and independence to access the beaches safely and comfortably.

1. Please add the following details: 

Weight

Height

Age

Do you have any health or mobility problems?

Which beach did you use the chair?
